## 2020 - STEEL RANGE

Playground World supplies and fits a full range of steel playground equipment.

### All our equipment is:

- Made to endure the harsh South African climate.
- Galvanizing is an optional extra for coastal regions.
- Products come in fun primary colours.
- All our steel is SABS approved.
- Delivered and installed at your premises throughout **KZN** and **Gauteng**.

## TERMS & CONDITIONS

All prices are inclusive of VAT

All prices include installation but not delivery charges. Please contact us for delivery rates.

All jobs based on fitment into soil or grass, if any other surface is used to install equipment please advise before instalment is done as extra tooling may be required, i.e.. jack hammers which will incur at an extra cost.

SLOUGH TRADING t/a PLAYGROUND WORLD is not responsible for any damage whatsoever.

Domestic units are ideal for home use - Heavy Duty units are ideal for schools, crèche's and where there is 'harder' play.

All units are installed similar to pictures. Design and layout may vary as our clients have specific needs. Please contact us should you require any Playground Equipment.
